**Tony Velocci** is editor-in-chief of *Aviation Week & Space Technology*, a magazine renowned in aviation circles worldwide as the *Wall Street Journal* of cutting-edge information on aerospace technology. Mr. Velocci will discuss not only homeland security as the aerospace industry's newest emerging sector and what's ahead for commercial aviation, but also the balancing act that's required for *Aviation Week* to live up to its nickname – “Av Leak” – while exercising responsibility and self-restraint. Prior to joining *Aviation Week*, a McGraw-Hill Companies publication, he worked for a variety of other business, financial and defense-related publications. Mr. Velocci has appeared numerous times on CNN, BBC, CNBC, BizNet TV and other media outlets as a commentator on issues pertaining to the aerospace and commercial air transport industries. He has received various awards, including the distinguished McGraw-Hill Corporate Achievement Award for Editorial Excellence and the Royal Aeronautical Society's Aerospace Journalist of the Year award.
